

Theta Chi Mentorship Program

The Delta Beta Chapter of Theta Chi at The University of Georgia provides its new members the opportunity to partake in the Mentorship Program with the goal of developing students into leaders within their field of study and future career paths.

Mentorship Program Overview

Led jointly by the Vice-President, Pledge Marshall, Scholarship Chair, and Campus Involvement Chair, The Mentorship Program sets students up for success early on in their academic career.

New Members will be paired with a Mentor within their field of study who will be available to provide insight and advice, with the goal of establishing a relationship and maintaining that relationship throughout college in the search of networking opportunities and additional academic/career assistance.

Mentorship Curriculum

New Members will meet individually with the Vice-President, Scholarship Chair, and Campus Involvement Chair to determine a baseline for career, academic, and involvement goals.

Seminar Topics:

- Academic Orientation
- Professional Dress
- Résumé Building
- LinkedIn Tips/Tricks
- Networking Events
- Academic Success Strategies
- Mock Interviews
- Introduction to Involvement at UGA

The Resolute Man Guest Speaker Panels

New and Current Members will have the opportunity to sit in on these guest speaker panels. We hope to bring a variety of speakers to our panels ranging from UGA professors to environmental activists to notable alumni. These panels are designed to shape the minds of Theta Chi men and influence them to make a positive impact in the lives of others.

Theta Chi Career Database

A widely accessible and well organized list of Theta Chi Alumni can greatly increase a student's confidence as he nears time to apply for internships or full-time employment. Students will be able reach out to Theta Chi Alumni with questions on career, internships, and possible future jobs. The intent is to build beneficial connections between current members and active alumni to best help brothers excel in their field.
